6:00 pm: Bring in your exhibits.

6:30 pm: Start Viewing, Contests, Activities, Dessert, and Door Prizes

Postmark Entries by January 17th

For 2019 we are charging a flat rate of \$5.00 per participant for entry fee to help pay for the facility, door prizes, sound system, and more. This fee will allow participants for 2 Exhibition Lego/K'nex creations and 1 judged Lego creation.

We will have a \$1 per ticket raffle for the GRAND PRIZE (\$100 Lego kit) of the evening!

Questions: andrea.boggs@yahoo.com

Coordinator: Andrea Boggs

There are 3 parts to Lego Night:

1. Lego/K'nex Exhibition

Build and bring your best Lego or K'nex creation to exhibit. It can be any idea, any theme. The Lego/K'nex exhibits are not judged, but are displayed for all to enjoy. All who enter an exhibit can also participate in the door prize drawings!

Exhibition Registration: No charge, part of the \$5 flat fee noted above. Limit of two exhibits per student.

Exhibitor's Name _____

E-mail Address _____

How many exhibits will you bring to display? (1 or 2?) _____

In addition, please do one of the following - Check at least one:

- We can come early and help set up.
- We can help in the kitchen.
- We can donate a new, unopened Lego item.
- We can help clean up.

2. Lego/K'nex Judged Competition

Build your Lego or K'nex creation based on this year's theme, to be judged by Lego enthusiasts. The Judged Competition is separate from the Exhibition area. The Judged Competition theme for this year is: **In the City...**

This can be anything related to a city: buildings, a landscape, a park or anything city related. On Lego Night, we will need to know the title of your entry and how your entry ties into the theme.

Competition creations are grouped by age for judging. Once all registrations are in, the age groups are finalized, but normally there are five groups: 7 years old & under, 8-10 years old, 11-13 years old, 14-18 years old, and Adults. Parents and grandparents are welcome to fill out a competition registration form and are not required to have a regular entry. Ribbons are awarded for the top three entries in each age group and a prize is given for 1st Place!

In order to take part in the Judged Competition, the student will need a regular exhibit entered as well. Please be sure to fill in both Exhibition and Competition forms if your student wishes to participate in the Judged Competition. Once your Judged Competition entry form is received, you will be emailed more information, including competition rules.

Competition Registration: This competition is included in the flat rate of \$5. Limit of one competition entry per student.

Please bring one of the following - Check one:

Cookies (NO PEANUTS) Chips/Pretzels/Veggie
 Juice (1/2 gallon) 1/2 Case of Bottled Water

3. Build It On The Spot Competition

Try for a chance to build a Lego creation On The Spot on Lego Night from Legos we provide! Contestants will have 10 minutes to build a creation that is based on In the City-related theme that we announce just before building begins.

This contest is limited to 8 people (2 for each of four age groups). All the names of the students who want to participate will be chosen that night. Not all entering this contest will be able to participate; only the 8 names pulled on Lego Night.

This is for those 17 years old and under who register an exhibit!

If you would like to be a part of Build It On The Spot, please register:
